

# Richardson Park Flagpole Update Meeting

Thursday, August 17, 2006

6:30 pm

Plumbers & Gasfitters Union Local 12 Hall  
1240 Massachusetts Avenue, Boston

In July 2005, the historic flagpole at Richardson Park was struck by lightning. The MA Department of Conservation and Recreation has hired a consultant to assess the flagpole's structural condition.

The public is invited to hear the consultant present his final report and recommendation regarding the flagpole's condition. The consultant's written report and May 31 slide presentation are available on DCR's website at [www.mass.gov/dcr/flagpole.htm](http://www.mass.gov/dcr/flagpole.htm).

For more information or to obtain a written copy of the report, contact Jeffrey Harris, MA Department of Conservation and Recreation, 617-626-4936 or [Jeffrey.Harris@state.ma.us](mailto:Jeffrey.Harris@state.ma.us).
